Medicor HOT TIP!-Spokane County Medical Society & SHMC Health Sciences Library

## To All Medicor Registered Users

**The ticTOCs Journal Tables of Contents service** makes it easy for you to keep up-to-date with newly published scholarly material by enabling you to find, display, and store your favorite journal tables of contents in one place. ticTOCs is easy to use, and it's FREE.

With ticTOCs you can:

- Find **11,738** scholarly journal Table of Contents (TOCs) from **430** publishers.
- View the latest TOC for each journal.
- Export TOC feeds to popular feedreaders, such as [Google Reader](#).
- Select and save journal titles to view future TOCs ([Register](#) to ensure your *MyTOCs* are permanently saved).

## Here's How To Do It

Find the ticTOCS Web address in Medicor by [CLICKING HERE](#).

Registration is easy: all that is required is your email address and a password. Once you register and sign in, you can search for your favorite journal's table of contents and easily add each title to your personal MyTOCs list. Clicking on the journal title will bring up the most current table of contents.

If you are affiliated with the Health Sciences Library at Sacred Heart Medical Center, you may be able to request copies of articles not available through Medicor via interlibrary loan. The contact information for Sandy Keno, your medical librarian, is below.

As always, we're available if you need help, have a question, or would like to schedule a personal training session. Please call or email:
